Interstate Batteries adds space as part of lease renewal

Dallas Business Journal

Interstate Batteries has signed a long-term lease that will allow it to expand its headquarters at Park Central 8 in North Dallas.

The lease of 132,714 square feet is one of the largest leases to be signed in the Park Central submarket in the last 20 years, according to a news release issued by **Parmenter Realty Partners**. Interstate Batteries' former leased space totaled 105,000 square feet.

Park Central, an 845,419-square-foot office complex at the intersection of LBJ Freeway and North Central Expressway, is owned and managed by Parmenter Realty Partners and leased by **Cousins Properties**.

John Amend, president of **The Amend Group**, represented Interstate Batteries in lease negotiations. Matt Schendle and Cynthia Cowen, vice presidents of leasing for Cousins Properties, represented Parmenter Realty Partners.
