FOR IMMEDIATE RELEASE

SPIRE AGENCY, LP RENEWS GATEWAY TOWER LEASE

Dallas, Texas (December 31, 2009) –

Spire Agency, LP, a full service agency specializing in strategically integrated branding, marketing and creative services, has renewed its lease for 3,240 square feet of office space in the Gateway Tower at 8111 LBJ Freeway, Dallas, TX.

Spire Agency, LP, was represented by J.W. Amend and David “BD” Amend of The Amend Group; the Landlord was represented by Fletcher Cordell of Transwestern Commercial Services.

About Spire Agency

Spire Agency helps executives and entrepreneurs obtain better results faster by thinking strategically, developing creatively and executing consistently. With a straight forward approach, the Agency immerses itself in order to better understand the complexities of the client’s company, industry and market. Simplifying the complex, in order to make it easy to understand and communicate, they develop and implement communications that are differentiated, targeted and cost effective; developing branding that builds loyalty, marketing that wins customers, and creativity that captures attention.

About The Amend Group

Developing innovative and creative solutions to corporate clients nationwide, The Amend Group is a fully integrated real estate company providing comprehensive real estate, brokerage, project management, design, and construction services. As a leader in developing new approaches and tools to improve industry efficiency, The Amend Group is able to give clients a total solution to their real estate programs.

The Amend Group's unique business model combines all the necessary elements and methodology (site selection, programming, design, estimating, scheduling, and construction with overall project management) into an integrated and parallel process allowing for the proper determination of complex business decisions. By combining these services and modern delivery processes, their clients are accustomed to significantly compressed project costs and schedules, while achieving higher than expected project quality.
