FOR IMMEDIATE RELEASE

HUSELTON MORGAN & MAULTSBY EXPANSION

Dallas, Texas (August 27, 2010) –

Huselton Morgan & Maultsby (HM&M) has recently relocated its offices to the Three Forest building at 12221 Merit Drive in far north Dallas and has signed a long-term lease for 20,799 square feet, representing a significant expansion in their office space.

John Amend, J.W. Amend and B.D. Amend of The Amend Group represented HM&M in this transaction. The Landlord was represented by Matt Hurlbut of Transwestern Commercial Services.

About Huselton Morgan & Maultsby

HM&M is a Dallas based full service accounting firm serving a wide range of businesses, individuals and industries. Established in 1978, HM&M is devoted to assisting clients in achieving their financial, tax and business goals by providing quality, personalized and innovative accounting and consulting services in a high integrity environment. HM&M was recently ranked the 19th largest accounting firm in the Metroplex.

About The Amend Group

Developing innovative and creative solutions to corporate clients nationwide, The Amend Group is a fully integrated real estate company providing comprehensive real estate, brokerage, project management, design, and construction services. As a leader in developing new approaches and tools to improve industry efficiency, The Amend Group is able to give clients a total solution to their real estate programs.

The Amend Group's unique business model combines all the necessary elements and methodology (site selection, programming, design, estimating, scheduling, and construction with overall project management) into an integrated and parallel process allowing for the proper determination of complex business decisions. By combining these services and modern delivery processes, their clients are accustomed to significantly compressed project costs and schedules, while achieving higher than expected project quality.

For more information on The Amend Group, please contact John Amend at 214-696-6900, or email john.amend@amend.com.
